Prentis' Corporate Social Responsibility (CSR) programme is designed to improve the career opportunities of those faced with various hurdles, who wish to improve their prospects. One of the modules of our CSR programme is the serial of 4-hour, highly interactive job seeker seminars aimed at improving the job hunting approaches and employability skills of the participants. Our trainers are senior recruitment consultants working in the field of organisation development. They represent "the other side", the employer searching for the right person and the competitive price (i.e. income, from the point of view of the job seeker). These are specialists who know precisely the desired characteristics of a high value candidate, and are ready to help you become one.

We look forward to meeting you at our training.

Sincerely yours,

Shau Match Director
